Hi Kelsi, Lincoln and Sarah,

Per Sarah's email below, please find attached the public comms materials from OITA for the CEC Counsel Session coming up in Oklahoma.

Please let me know if you have questions or comments.

Thanks ng

Nancy, Kelsi, and Lincoln –

The CEC is ready to issue a public announcement on the CEC Counsel Session which will identify several events open to the public (JPAC Public Forum, opening event/welcome reception, public Townhall, and exhibition). I wanted to make sure you were aware of this and had everything you need in order to work with OITA to finalize. Please let me know if that's not the case.

Also, I wanted OPA to be aware of a FOIA request the agency received relating to this year's CEC Council Session. Responsive documents will be ready for awareness review by this week.

Subject: CEC Comms Planning -- forwarding PDFs

Hi Nancy – sorry for the delay in getting this to you. Here are the three documents (as PDFs) we discussed yesterday, for the CEC leaders meeting (Council Session) in June:

- (1) The Run of Show for the Council Session
- (2) Communications Opportunities for the Council Session
- (3) One pager describing the Council Session and public participation

Please let me know how you'd like to go forward with this.

Thanks! Martin

Subject: RE: CEC One-pager + Comms path forward

Hi Sarah,

As promised attached is a one pager on CEC and Council Session, a list of press/social media opportunities (identifying which parts of Council Session are traditionally open to press) and other opportunities we identify to promote the CEC work and the session. And, the latest version of the Council Program with refinements on the OU events and clarifications/tweaks in general.

I think Martin is going to propose a meeting so we can go over press/social media/outreach so that we can confirm direction with AO and advise Canada, Mexico, Secretariat and partners accordingly. In particular, the Facebook live decision is important as it affects participation, planning, and costs. On that matter, I am reattaching here the stats we received from the Secretariat on how FB live helps with outreach and participation.

Secretariat's past experience:

Note that all questions that are passed forward to the ministers via the moderator during the dialogue in the Council Public Session will be screened first by the CEC's communications team and then the moderator (as was done at Council Session 2017), so there is no opportunity for off-topic questions to be asked out loud in the room or via the broadcast. With this in mind, here is a list of pros and cons to consider:

Pros:

Ex. 5 - Deliberative Process

Cons:

Ex. 5 - Deliberative Process

Thank you Luis, there is no rush on this. Just wanted to help Kelsi get up to speed on the CEC. I hope everything goes well in Puerto Rico.

Hi Sarah. I'm in Puerto Rico for a family emergency. I'm in touch with Lisa. Someone from my team can lift from past scene- setters or my other documents and collate a quick one-pager.

Luis

I am getting Kelsi up to speed on the CEC. Do we have a one-pager or a briefing paper already prepared that she can review to get a senses of the history and program?

Thank you!
